

## Easy Recipe for Playdoh at home.

### You need:

- 2 cups plain flour (all purpose)
- 2 tablespoons vegetable oil (baby oil and coconut oil work too)
- 1/2 cup salt
- 2 tablespoons cream of tartar
- 1 to 1.5 cups boiling water (adding in increments until it feels just right)
- gel food colouring (optional)
- few drops glycerine (secret ingredient for stretch and shine!)

### Method:

- Mix the flour, salt, cream of tartar and oil in a large mixing bowl
- Add food colouring TO the boiling water then into the dry ingredients
- Stir continuously until it becomes a sticky, combined dough
- Add the glycerine (optional)
- Allow it to cool down then take it out of the bowl and knead it vigorously for a couple of minutes until all of the stickiness has gone. \* This is the most important part of the process, so keep at it until it's the perfect consistency!\*
- If it remains a little sticky then add a touch more flour until just right
