

★ Number Formation Rhymes

Around and round and round we go,
When we get home we have a zero.

A large number 0 with dashed lines and arrows showing the path. A small house and two children are on the left side.

Start at the top and down we run,
That's the way we make a one.

A large number 1 with dashed lines and arrows showing the path. A child is on the right side.

Around and back on a railroad track
Two, two, two

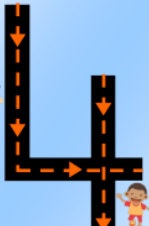

A large number 2 with dashed lines and arrows showing the path. A train is on the top curve.

Around the tree and around the tree,
That's the way we make a three.

A large number 3 with dashed lines and arrows showing the path. Two trees are on the left side.

Down and over, down some more
That's the way we make a four.

A large number 4 with dashed lines and arrows showing the path. A child is on the left side.

Down and around then a flag on high
That's the way we make a five.

A large number 5 with dashed lines and arrows showing the path. A flag is on top.

Down we go and make a loop,
Number six makes a hoop.

A large number 6 with dashed lines and arrows showing the path. A green hoop is inside the loop.

Across the sky and down from heaven,
That's the way we make a seven.

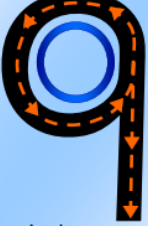

A large number 7 with dashed lines and arrows showing the path. A cloud is on the left side.

Make an 's' and do not wait
When it's joined up you have an eight.

A large number 8 with dashed lines and arrows showing the path. The top curve is yellow.

Make a loop and then a line,
That's the way we make a nine.

A large number 9 with dashed lines and arrows showing the path. A blue circle is inside the loop.
